OPFMA is a not for profit 501(c)(3) independent trade organization
Announcing The Building Operator Certification Training Program
in collaboration with:

**The Ohio Department of Development, Office of Energy Efficiency,
and The Midwest Energy Efficiency Alliance (MEEA)**

Building Operator Certification

Building Operator Certification (BOC) is a professional development program for operations and maintenance staff working in public and commercial buildings. It certifies individuals in the energy and resource efficient operation of building systems.

Participants attend classes and complete tests and hands-on projects to receive their Building Operator Certificate from the Midwest Energy Efficiency Alliance.
