

What is OPFMA and Why Should Your Company Exhibit at OPFMA Annual Trade Show?

Ohio Public Facilities Maintenance Association (OPFMA) is a (501)(c)(3) non-profit educational organization for public facilities management and maintenance personnel. OPFMA has organized yearly Conference and Trade Shows since 1987.

OPFMA attendees are from the entire maintenance domain from top facility administrators to operators from public and private schools, colleges, universities, libraries, hospitals, municipal and state governments, parks, museums, and other public facilities located throughout Ohio.

If your company provides products or services used by anyone at any level of public facilities maintenance — then this Trade Show is for you!

Don't miss the opportunity to exhibit where your potential customers are on Oct 26th 2009!

To help increase visitor-traffic to your booth, OPFMA organizes an "Attendees' Raffle" for the exhibitors donating raffle prizes to promote their business. The participating Exhibitors are provided with raffle tickets to give out to their visitors!

To facilitate networking and keep your business in the Attendees' focus - Attendees and Exhibitors will have lunch served in the Trade Show Grand-Ballroom; dinner can also bring you together!

TO RESERVE YOUR BOOTH —

Complete the Form inside the flyer and faxed it to our office. Reservations made on first come-first served basis.

Today's unsurpassed rising cost of energy in tandem with tighter budgets and stringent new regulations is creating an *urgent need* in the entire maintenance field for *new solutions* and *practices* to meet the unparallel *new requirements!*

OPFMA Annual Trade Show offers solutions and inspiration to public facilities across Ohio!
